Good Cattle In Attractive Surroundings

Air view of the beautifully kept farm home of Otto G. Johnson, Rio, Wisconsin

I have always noticed that clean, well kept farm surroundings seem to go along with a progressive breeding program. On every trip I have made to the herds consigning to this sale, I have always been impressed by the large number of top prospects that fill the attractive barn lots. Through careful breeding and rigid culling these herds have been built to their present state of excellence. Only the best bulls obtainable have been used.

On numerous occasions I have been accused of being a stronger booster for Wisconsin Shorthorns than for those of some other sections. Perhaps I am guilty, but, if so, it has only been because of the observation that buyers seem to get more for their money in Wisconsin than in a lot of other sections.

The cattle to be sold are backed by exceptionally strong ancestry. Each animal is a son or daughter of a top sire. The sale is to be held at "The Hickories", the beautiful farm owned by Dr. W. A. Taylor and managed by Don James. It is a treat to visit this farm at any time but June will be an ideal month for such a trip. And, with 50 grand young cattle listed for such a sale, this will be an event that should be on your "must attend" list.

HAL LONGLEY of The Shorthorn World.

The Otto G. Johnson Consignment

A group of calves by Edellyn Royal Leader 17th, the Otto G.

Johnson herd bull.

The next fifteen lots listed in this catalog represent the consignment from the excellent herd owned by Otto G. Johnson, Rio, Wisconsin. All but one of the three bulls and twelve females are sired by his outstanding breeding son of Edellyn Royal Leader, Edellyn Royal Leader 17th. Eleven of these heifers carry the service of Rothes Leader, a son of Conner's Keystone Guard by the Perth champion, Royal Rothes. This great young prospect is out of a daughter of Edellyn Royal Leader. What an outstanding opportunity this is for a breeder who wants to build a foundation on a group of heifers all by the same bull and bred to the same bull! This is the fastest way to get ahead with your breeding program. All of the cattle in The Hickories and Johnson consignments, have been pre-tested clean and Bang's vaccinated.

Royal Archer—This is the best bull we have ever sold in our annual production sale. He is soggy, thick, short legged, with good lines and has a pedigree that should please all. Note that he is out of a good Arnold Bros. family, his dam being sired by the renowned Cruggleton Achtoi.

HERD BULL Power!

Eleven by Superb Goldfinder, the great breeding son of Supreme Goldfinder that has made such a marvelous record in the Reynolds Bros. herd. He is a full brother to Supreme Annabella, junior champion female at the 1941 International.

Fourteen by Edellyn Royal Leader 17th. Wait until you see the uniformity of the sons and daughters of this great son of Edellyn Royal Leader. Here is your chance to fill out a show string.

Four by Divide Kansom, an excellent breeding grandson of the Perth champion Millhills Ransom. His calves have inherited his smoothness, thickness and great beef conformation.

Fourteen by Royal Ransom, one of the breed's outstanding sires. Breeders everywhere acknowledge him to be the most potent improver of the famous Millhills Ransom line. What an opportunity to buy foundation stock!

They're Sired By These Prominent Senior Herd Bulls

Breeders often say, "If when I had started my herd I would have bought a number of heifers sired by the same bull, I would be further along today." Here is one sale that offers an unusual opportunity to institute such a program. Each consignor has supplied the best females from his 1947 and 1948 calf crops and in each case almost all are sired by one bull. That is the reason for the amazing uniformity of this offering. Add to this the well established fact that cattle sold in previous sales were purchased at reasonable prices and have made good in their new homes and you will realize that you cannot afford to miss this event.

An Unusual Opportunity

Hickories Ransom 32d, a son of Royal Ransom, chosen to carry on this famous bloodline at The Hickories. Dam by Edellyn Royal Leader, granddam by Superb Goldfinder, and a Wisconsin champion. Several of the sale heifers have been bred to this outstanding young bull.

And They're Bred To This Impressive Battery of Junior Herd Bulls

Oralynn Prince Peter 3d may prove to be the best bull ever used at The Hickories. Sired by MF Prince Peter 5th, a full brother to Caraway's \$5,000 Prince Peter. Dam by Edellyn Manor Mercury by Calrossie Mercury. A show bull in every way. Many sale heifers are bred to him.

Hickories Randolph, the 1948 Wisconsin grand champion and junior champion of the open show at Milwaukee. This bull has been used liberally and many heifers carry his service. Sire, Secret Consul by Imp. Calrossie Vice Consul. Dam, Garguston Augusta, the 1942 Wisconsin champion female.

Rothes Leader, a bull of perfect breeding and great beef conformation. Most of the Otto Johnson heifers carry his service. His sire, Conner's Keystone Guard, is by the Perth champion, Royal Rothes. His dam is an Edellyn Broadhooks cow and was sired by Edellyn Royal Leader.

Ransom's Heir, in service in the Stanley Miller and Reynolds Bros. herds. Many heifers in this sale carry the service of this excellent son of OAC Ransom 23d. What valuable calves these should be.
